

Attached are the Homologation Request forms. They are quite self-explanatory. Please complete and return them to the Club Racing Technical Department with the applicable fee. The forms will be reviewed and you will be advised of any additional information that may be needed.

If the roll cage design you are utilizing does not comply with the criteria outlined in GCR Section 18, and you wish to utilize an alternate design as described in GCR Section 18.4.5, please complete the attached Safety Roll Cage Certificate and submit it with the Homologation Request forms. The registration number of the engineer doing the testing or calculations must be included.

The fee schedule is as follows:

All Formula and Sports Racers	\$75 per car
Replacement Certificates	\$200 per car
*Special Handling Fee	\$45 per car

\*A special handling fee will be charged for any special attention over and above the normal processing time (5 to 7 business days). Special handling is a twenty-four hour turn around process **for previously approved designs only**. The certificate is returned via U.S. Postal Service first class mail. If overnight mail service is necessary, the express charges will be added to the special handling fee.
